Preschool

Art Sparks: Preschooler & Adult

The creative sparks will fly in this fun program with artist Joanne Hookumchand. Each week work together in a warm and engaging environment to make a variety of projects including colourful drawings, paintings, fanciful masks, musical instruments and lively puppets. Includes storytelling to fire up the imagination! Bring a drink or snack if desired. Only child is registered but must be accompanied by a participating adult. With artist Joanne Hookumchand. 8 weeks. **Ages 2-5 and Adult**

Member: \$69.12. Non-member: \$81.12
Fri Apr 21-Jun 9 9:30 AM-11:00 AM 42228

Music Together, 0-5 yrs & Adult

More than just a music class, Music Together is about connecting - with music, with your child, and with other families in your community. Playful and enriching, it is 45 minutes of fun (for everyone!) with benefits that extend far beyond the program. Fee includes 10 weekly classes, a CD and download code, beautifully illustrated songbook, and access to online activities and other educational materials. 2nd child discounted sibling rate available. Only child is registered but must be accompanied by one participating adult. Infant siblings 8 months or less at time of registration attend free (no registration required). No class May 22 or June 19. 9 weeks.

Baby to Age 5 and Adult

How To Draw Animals: Cartoon to Realistic

Want to learn how to draw all kinds of animals? A cat stretching, wolves howling, horses jumping, fish swimming, a lion roaring or an elephant reaching for food with its trunk! Draw these animals and more with graphite, coloured pencils and a variety of markers. Learn skills and techniques to create fun cartoon style drawings and then progress to drawing realistic looking animals with details and shading. All materials included. Instructor is Jim Smith of Progressive Music and Arts. 8 weeks. **Ages 8-13**

Member: \$103.10 Non-member: \$121.10
Mon Apr 17-Jun 12 4:00 PM-5:45 PM 42236

How To Draw Mechs, Machinery, Vehicles and Robots

Unleash your imagination and create your own amazing Mechs, Transformers and Machinery using pencils, brush pens and traditional pen and inks. Give your mechs, robots, vehicles and other machines dynamic form and shape by learning how to draw in 3D with shading, texture, rotation and perspective techniques. All materials included. Instructor is Jim Smith of Progressive Music and Arts. 8 weeks.

Ages 8-13

Member: \$103.10. Non-member: \$121.10
Tues Apr 18-Jun 6 4:00 PM-5:45 PM 42274

Lego Spike Prime: Robots, Vehicles, Creatures & More!

Have fun making and programming Lego robots, vehicles and creatures! Learn how to incorporate motors and hardware and create movement with easy to use computer coding. Your creations will walk, run, spin, travel mazes, respond to colours, follow paths, navigate obstacles and more. Start out with pre-set designs to master the basics and then use your imagination to build and program one of a kind creations. Trouble shoot, collaborate and develop math, science, engineering and design skills while having a great time! With an instructor from Stemetics. 7 weeks.

Ages 6-8 and 8-12

Member: \$116.29. Non-member: \$136.29
