

# **Fischer-Hallman Road (Regional Road 58), Columbia Street West to Westmount Road North, Waterloo**

## **Class Environmental Assessment Study Information Sheet for Schedule B and C Projects**

### **Study/Project Scope (Why and What):**

The 2018 Regional Transportation Master Plan (RTMP) update has identified this section of Fischer-Hallman/Bearinger Road) for widening from 2 to 4 lanes due to traffic growth. It also identifies this corridor for active transportation (e.g. pedestrians and cyclists) and transit facilities.

As such, the Regional Municipality of Waterloo has undertaken a Schedule C Class Environmental Assessment (EA) and preliminary design. Detailed design for construction of the improvements on Fischer-Hallman/Bearinger Road (Regional Road 58) from Columbia Street West to Westmount Road North in the City of Waterloo will follow.

<b>Preliminary Cost Estimate (Budget):</b>	<b>\$18,010,000</b>
--	---------------------

### **Preliminary Schedule:**

Commencement of Study (EA)	2017
Commencement of Detailed Design	2020
Commencement and Completion of Construction	2024-2025

### **Project Information**
